

This year the Green Team is taking on a very special challenge. We want to help shine the light on mental illness and on the amazing work being done by the National Alliance on Mental Illness (NAMI), the nation's largest grassroots mental health organization. We will be working to raise awareness and funds for our local affiliates and the services they offer to the members of our communities.

NAMI works through national, statewide and local affiliates to improve the lives of people with mental illness, and educate and support the family members who love and care for them. They advocate for access to services, treatment, supports, research, and legislation. Working closely with NAMI/Orange and NAMI/Sussex, our goal is also to get people talking about mental illness in order to help end the stigma that surrounds it. We will be sharing information, resources, and calls to action through our Facebook page and on our website now through the end of the year. If you prefer to make your donation by credit card, visit our webpage at Hope.GreenTeamHQ.com for information about how to donate through our Facebook fundraisers. Then fill out and send back the form below so we can add your company information to our Team Up For Hope website page.

Together, let us Team Up For Hope and help those living with mental illness come out of the shadows.

**Team Up For Hope
Fundraiser on behalf of NAMI/Orange County and NAMI/Sussex County**
